91-92 Conference plans underway

For advisers who want to mark their calendars early, dates have been set for both the Fall and Spring Conferences for next year.

SISPA's Fall Conference is scheduled for Monday, September 30. It will take place in SIU-C's Student Center.

The Spring Conference, also to take place in SIU-C's Student Center, is tentatively scheduled for Monday, April 27.

Also, Darlene Shannon, Grant Walker and Herman Albers have been working on the "Best of SISPA" booklet which will include reproductions of first place stories and art. Additional information will be available in the fall's first newsletter.

Happy summering! ♦
